PRODUCTION BOARD MEETING

Thursday, 6 April 1972 - 1330

MEMBERS PRESENT

25X1A

IAS NOTES

Two Notes were approved for publication.

COMPUTER CENTER RENOVATION

Renovations will probably start in late April and continue for 45-60 days. The reduced capability will cause some reduction in service, but should not seriously affect IAS' priority (I) requirements.

ROTATIONAL ASSIGNMENTS TO HEADQUARTERS

The Directors of OSI, FMSAC, OSR, and OER are being asked to identify possible positions for assignment of IAS PIs on one year tours.
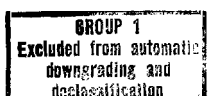

SPECIAL STUDY GROUP PAPER

Copies of this paper, produced by the DDI Special Study Group, were passed to the members. The paper evaluates various exploitation concepts and identifies subjects requiring additional study. _____ discussed it briefly and advised the members that he would contact them for their comments.
